Tayler Bruin

Provo, UT | Phone: 385-242-8424 | taylerbruin@gmail.com | www.linkedin.com/in/TaylerBruin

Upcoming BYU Journalism graduate with one year of experience as a full-stack WordPress developer and several years of experience in programming coursework, looking to find a web developer position to be able to provide value with a unique blend of technical and communications skills.

EDUCATION

Brigham Young University | BA, Journalism   June 2023
- Relevant Coursework: IT 210 Web Development bootcamp style course implementation of CRUD functionality, unit testing on AWS and Azure in a variety of stacks including HTML/CSS/JS, LAMP, REST as well as others, C++ with implementation of discrete data structures.
- Portfolio: https://taylebruin.github.io

EXPERIENCE

Full Stack Developer | *International Center for Law and Religion Studies | Remote*   July 2022—Current
- Rebuilt dignityforeveryone.org from scratch, leading project from design phase to site creation including use of Gravity forms API and publication through Cloudflare and NGINX setup
- Streamlined development workflow by implementing Lando, resulting in a significant reduction in environment setup time from 8 hours and 25 steps to 20 minutes with 2-5 steps, and improved local page load times from over a minute to mere seconds
- Implemented content tags for the Religious Freedom Library through a Laravel (PHP) backend with a many-to-many database
- Managed version upgrades to ensure site security through Composer
- Modified existing WordPress themes' CSS
- Led meetings to decide project requirements and train other developers on ongoing projects

Graphics Operator | *BYU Broadcasting, Freelance Pac-12 Networks | UT*   Aug 2017—Dec 2022
- Created and operated on-screen graphics for live sports broadcasts, ensuring accuracy and timely delivery in a fast-paced, high-stress environment
- Trained new graphics operators to work in high-pressure, live broadcast environments
- Collaborated with technical teams to troubleshoot and resolve issues related to graphics delivery, ensuring successful on-air execution of broadcasts

VOLUNTEER EXPERIENCE

Full-Time Volunteer | *The Church of Jesus Christ of Latter-day Saints | El Salvador*   July 2015—July 2017
- Trained and lead groups of 8+ other volunteers in daily responsibilities and in setting and achieving weekly and long-term goals

SKILLS

- HTML/CSS/JavaScript
- PHP
- Python
- AWS
- NGINX/Cloudflare
- Lando
- Node.JS
- Linux
